Studies - ISO, Circonvallazione Tiburtina, 400185 Rome, Italy)

über das Thema

An Exegetical Analysis of *The Essential Exposition on the View (lTa ba stong thun)*: A Bon-po Rediscovered Text from the *rDzogs pa chen po yang rtse klong chen* Cycle (ca. 11th Century)

The *rDzogs pa chen po yang rtse klong chen*, together with the *A Khrid* and the *Zhang zhung snyan rgyud* cycles, epitomize, by virtue of the relevant lineages, the main systems of transmission of Atiyoga tenets in the Bon tradition. The text will be presented and analyzed in its ontologic components and soteriologic salient points and will be contextualized within the overall discourse of Bon-po *gter ma* and rDzogs-chen literature.
